## Our Game Changers:

- Align your business operations with privacy requirements
- Point of Contact for all privacy regulation concerns, complaints & requests
- Understand where your customer data sits within your company
- Transfer accountability of privacy risk management to us!
- Protect yourself against financial penalties & law violations

“ We needed HIPAA immediately to work with a state sponsored health plan. If we didn't work with ComplySAM, we wouldn't have got the business. ”

“ ComplySAM made the process less daunting to achieve. ”

-President & VP of Operations, AW Companies, Inc.
