# ▶ WHAT OUR CLIENTS SAY

Real feedback from companies that trust Developers.Net to build their software teams.

*Out of all the staffing companies I've worked with, Developers.Net is the first one that feels like it was started by engineers. **Their understanding of technical skillsets and organizational needs is unmatched.** If you have a hire you can't afford to get wrong, talk to Developers.Net.*

———— **Alexander Feng, Magnataur** ————

*We have been working with Developers.net for several years and have been very satisfied with the professionalism and quality of the developers, who are top-notch. **The fact they are in the U.S. timezone means they are highly integrated with the rest of the group,** attend daily standups, etc., translating to a more efficient and cohesive team.*

———— **Sujit Kar, ER Express** ————

*We have had a partnership with Developers.net for many years that has allowed us to flex our development staff to better meet the needs of our clients. **They have always been responsive when we have needed additional resources.***

———— **Edward Comer, Student 1** ————

*The founders of Developers.Net are developers themselves. **They know the difference between good developers and great developers**—and they'll bring only the great ones to you.*

———— **Sahil Patel, Spiralize** ————

*With Developers.net, I've been able to quickly and efficiently source top-notch developers who **have made significant contributions to our product development efforts.** I highly recommend Developers.net to any organization seeking talented and trustworthy developers to join their team.*

———— **Robert Hurwitz** ————

***Developers.Net takes care of all HR needs so that I can focus on working** with the developer assigned to our project. The HR and management team have been very responsive to my needs and gone above and beyond in making sure I am happy. I think they are doing a stellar job.*
